The Aura House

Concept 01

WHAT IF HERMÈS CALLED US?

Here’s exactly the room we’d build.

brands.theaurahouse.co

A concept by The Aura House. Not affiliated with Hermès.

Hermès started with saddles.
Every Birkin is still made by
one person, by hand.

THE BRIEF NOBODY SENT US

NO LOGO WALL.
NO POP-UP.

So we’d build a room that
slows you down.

24 GUESTS.
3 ROOMS.
90 MINUTES.

Then brunch. Obviously.

ROOM 01

The salt room.

HOW IT FLOWS

01 SALT ROOM

Breathwork, lying on salt.

02 SAUNA

Round cedar room,
vetiver steam.

03 SOUND BATH

Live sitar, crystal
bowls, eyes closed.

THE ONLY HERMÈS IN THE ROOM

Their silk scarf, folded under your head. No counter. No price tags. Nothing to buy.

COMMENT “ROOM”

and we’ll send you the full concept.

This one’s imagined. Yours doesn’t have to be.
